

Special Needs ministry

"Buddies"

We are offering ministry to children who would benefit from a One-on-One buddie.

It is helpful for us to know if we can care for your child more specifically. Within the small group context we want each child to be ministered to in the most effective way. We are excited to help all of our children enjoy the ministry, fellowship and worship experiences.

Little Peoples is pleased to have a member of our own congregation, Janice Walfall, partnering with us in developing a ministry for children with special needs or those who would benefit from our greater understanding as we endeavour to disciple all of the children who come to our ministry. **Janice can be contacted at 416-949-7577.**

Please help us serve you and your child better! In order to keep this formation ***confidential***, please...

1. fill out this form
2. pick up an envelope by the red and white mailbox in the west hallway
3. seal this form inside the envelope
4. place it in the mailbox

 Special Needs ministry!
