

Life Changing Television?

A testimony of God's love - Jasmin Cruz

“Before I became a born again Christian, I was a Catholic worshipper. My husband (who became a Christian before me) had a big part in my life in my becoming a Christian. He and I had experienced some confusion, based on my background as a Catholic, as to where we would worship in order to share only one ‘religion’ and therefore one place of worship.

One Sunday morning, I was watching a Christian Television station and I tuned in to a program with Charles Price preaching. I felt something different in myself as I listened to the words. Before watching this program, I had previously been praying to Jesus Christ to give me a sign about

which way I should go, just a sign. All of a sudden, I went to the computer to search for their website and to see where the church was that had this pastor preaching.

I decided to attend The Peoples Church, just to see whether it would affect my spiritual life. I came to the church in May 2007, to the second service, and the people here were smiling at me and welcomed me to the church. I thought to myself, ‘maybe this was the sign that I was looking for!’ Throughout the service, I felt relieved and happy. I just thanked Jesus Christ for bringing me to this church, because it changed my life and most of all my spiritual life. I asked Jesus to come into my life and dedicated myself to Him after hearing the message that day. I later spoke to my husband and he said that he noticed something different about me. He said that he realised that I am growing closer and closer to Jesus and this is a good sign of being a Christian. God is good indeed!”

*Jasmin Cruz was baptised at The Peoples Church on July 22, 2007. Having read her testimony, if you don't know Jesus Christ in a personal relationship as your Lord and Saviour, will you consider Him today, and seek to know Him and be known by Him by surrendering your heart to Him? Why not attend our **Believer's Baptism Service this evening, May 4 at 6:00 pm** and hear how mightily God works in the lives of those who have surrendered to Him, drawing them to Himself.*
