

Obedience to Christ Brings Joy!

A testimony of Baptism by Bruce Ramjohn

From the front page of the website

I was born to a Christian family, thus I had known of God since I was a young boy. Despite knowing of the Lord, I found myself getting into trouble very frequently. After getting into trouble I would feel ashamed. I would just wonder to myself how was it possible that I could continually do things that I knew were wrong! Eventually, the nature of my 'wrong doings' reached the limit and my parents decided it was time for the family to begin attending church again.

Over a year ago, at The Peoples Church, Pastor Charles Price delivered a message that had a drastic impact on my life. Pastor Charles had been preaching about people who are born with a sinful nature and have the tendency to commit 'wrong doings'. Pastor Charles emphasized that the only way to overcome this sinful nature was to change the person you are on the inside by inviting Jesus to live in you. At the end of the

message the audience was invited to pray with the ministers individually.

A congregant gets baptised

After hearing the message that Pastor Charles had just delivered, I knew Jesus was calling me to get to know who He is and to walk with Him. Jesus used Pastor Charles Price and The Peoples Church to change my life for the better. Since then, I have stayed out of trouble, excelled in school and things have been good all round.

In my coming to know him and being able to live a true Christian life, Jesus showed me that he can make the impossible, possible! From that day, my family and I have been regularly attending The Peoples Church service and we continue to grow spiritually in our walk with Jesus.

Bruce was born in Trinidad in 1988. On Bruce's baptism day, Sunday July 22, 2007, his brothers, Mark and Dillon and his Dad, Russell were baptised here at The Peoples Church.
